

Ellevest, Inc.

Ellevest, Inc. is registered with the Securities and Exchange Commission as an Investment Adviser. The services and fees provided by an investment adviser differ from those offered by a broker-dealer. It is important that you understand the differences. You can find free and simple educational materials and tools to help you research investing, investment adviser and broker-dealer firms and the financial professionals that serve these firms at [Investor.gov/CRS](https://www.investor.gov/CRS).

What investment services and advice can you provide me?

Ellevest Wrap Fee Programs

Ellevest provides discretionary goal-based investment advice, financial planning and/or banking services through three distinct wrap fee programs: Ellevest Digital, Ellevest Premium and Ellevest Membership (the “Ellevest Programs”) to retail investors. Ellevest Programs are offered through our website at www.ellevest.com and through our mobile application. In an attempt to keep investment costs low, Ellevest utilizes exchange traded funds and/or mutual funds to invest client funds.

Ellevest PWM Advisory	<ul style="list-style-type: none"> 90 basis points (0.90%) per year of AUM to \$2 million. Fee breakpoints offered for larger asset sizes. \$1,000,000 minimum aggregate account balance, subject to reduction at Ellevest’s discretion. Fees for broker (Schwab) trade execution and custody fees not included

*Advisory assets that are less than the greater of \$1 or the portfolio specific minimum balance (which may fluctuate from time to time but can range from \$1 to approximately \$240), will not receive the complete asset allocation intended until sufficient contributions are received to reach the minimum account balance threshold. Assets will be invested when reasonable to do so, at Ellevest’s sole discretion.

The Ellevest Programs fee covers multiple services, including payment for brokerage clearing and custody, banking services, learn content and discounts on planning and coaching services, and therefore can be higher than a typical asset-based advisory fee. Other fees include those related to the purchase of securities (ETF, mutual funds, alternatives), and other transactional fees. You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment services, we provide you. Here is an example to help you understand what this means. Ellevest will receive revenue and net interchange payment, cardholder fees, and interest payments for aggregate deposits in Ellevest accounts from Coastal, when an Ellevest Membership service client uses her Ellevest debit card or participates in banking services. Greater usage of the banking service means more revenue and payments to Ellevest, thus incentive to increase client use of these services. In contrast, as an advisory client, it may be in the client’s best interest to invest this money or use it to pay down high interest debt.

How do your financial professionals make money?

All of our financial professionals are compensated through cash and non-cash (Ellevest equity) compensation. There is incentive compensation paid to Ellevest PWM Advisory professionals. The conflicts of interest that this compensation can create is based on the amount of client assets they service. Increasing the assets under management serviced for clients will increase compensation to the financial professional.

Do you or your financial professionals have legal or disciplinary history?

No. See [Investor.gov/CRS](https://www.investor.gov/crs) for free and simple search tools to research Ellevest and our financial professionals.
